

For data sources referred to in the table below as having monthly, annual, or five-year update frequencies, Headwaters Economics processes newly released datasets within a maximum of 90 days post publication by each individual data source. Therefore, EPS-HDT reports always show the latest available numbers to within 90 days of each data source release date.

Data Source	Update Frequency	Last Update	Time Period Covered	EPS-HDT Reports
U.S. Department of Commerce. Bureau of Economic Analysis, Regional Economic Information System	Annual	June-2014	1970-2012	Agriculture, Amenities, Government, Socioeconomic Measures, Non-Labor, Summary

U.S. Department of Agriculture. U.S. Forest Service, Land Areas Report, Oracle LAR Database	Unscheduled	May-2010	2009	Land Use

* Limited data updates are available from the Bureau of Economic Analysis due to reduced funding levels. Only personal income data continue to be released for the range of geographies available through EPS-HDT. All other BEA data reported by EPS-HDT, including employment by industry, are now available only through 2011. For more information, see: <http://www.bea.gov/regional/docs/ImpactBudgetActLAPI.cfm>.
