**Percent of Total**

<b>LWCF Distributions to Non-Federal Projects</b>	<b>58%</b>	<b>71%</b>
<i>Cooperative Endangered Species Conservation Fund</i>	<i>15%</i>	<i>14%</i>
<i>Forest Legacy Program</i>	<i>22%</i>	<i>42%</i>
<i>State and Local Assistance</i>	<i>15%</i>	<i>2%</i>
<i>Federal Land Acquisition (Easements)</i>	<i>7%</i>	<i>14%</i>
<b>LWCF Distributions to Federal Projects</b>	<b>42%</b>	<b>29%</b>
<i>Federal Land Acquisitions (Fee Title*)</i>	<i>42%</i>	<i>29%</i>

\* Dollars are underestimated for the State and Local Assistance program because of missing data for 104 of 917 projects.

\*\* Any Federal Land Acquisition funds not used solely for the purchase of conservation easements are included. This category therefore includes many projects that combined easement and fee simple title acquisitions.
